

Future of Mount Vernon Survey

The City of Mount Vernon is seeking comments on how you want to see Mount Vernon grow over the next 20-years.

By taking our quick on-line survey we can capture your input.

The survey can be accessed by clicking on the following link:

[The Future of Mount Vernon Survey](#)

Please feel free to forward this to anyone else you know who would like to complete the survey – the more responses we get the better City government can prioritize the use of your tax dollars.

Thank you!

Annual Winter Coat Drive

Over the past four years, MVPD has collected more than 2,600 coats and Skagit Rotary has collected several thousand as well. Officer Graham said,

This year our partnership with Skagit Rotary will broaden our collection capabilities and allow donors more opportunity to participate. Our collective goal is to collect 2,500 new (or gently used) fleece, down, or waterproof winter jackets for all ages. We will place more donation bins this year and chances are if you shop in Skagit Valley, you will see a donation bin.

The drive will run between October 1st and November 15th. All donated coats will go to Community Action to be distributed in November and December for protection during our coldest months. Community Action uses donated funds to purchase coats to meet the specific needs of individual families.

Your dollars and donations go straight to the need!
